Antioch Couple Escapes Shakedown Attempt and Cause Arrest of Fraud

**Mr. and Mrs. Ray Scott Shot
At by Motorist Posing
As Sheriff**

Mr. and Mrs. Ray Scott, of Parkway ave., outwitted a 22-year-old Highland Park man posing as a deputy sheriff in a "shake-down" attempt Tuesday night.

Held on \$500 bond on a disorderly conduct charge at the county jail in Waukegan is George McNutt, a factory worker, residing at No. 1 Britany rd., Highland Park.

He was seized by Deputy Sheriffs Roger Kane and William Wood at the intersection on Rte. 45 and Grand ave., where he had stopped the Scotts by firing two shots from a 45-cal. army automatic pistol at their car. One shot dented a fender.

Scott told the deputies he was driving west on Grand ave., a mile west of Rte. 63 when he spotted McNutt's car and another car at the roadside.

As he passed, one of the automobiles turned around and began following him. At Lamb's corners the auto started to pass Scott, then slowed down.

Scott said near the intersection of Grand ave. and Rte. 45 his wife, Mary Lou, saw two flashes from the pursuing automobile and heard something hit their car. Her husband immediately pulled into a parking lot at the intersection and stopped.

The other car pulled up beside him and McNutt leaped out and covered him with a pistol.

Scott said McNutt started cursing him, and identified himself as a deputy sheriff, charging that they had been speeding at 90 miles an hour.

They said McNutt ordered them to follow him to the sheriff's office in Waukegan, or else get into his car so they could talk things over. Instead, the Scotts dashed into a nearby tavern and called the sheriff's office.

Kane and Wood said McNutt was wearing a bandolier of ammunition when they nabbed him. They also found a jackknife and three quarts of ice cream he obtained earlier from a truck driver he had flagged down. Money of various denominations was stuffed in his pockets.

The officers said that McNutt apparently had been shaking down motorists in the Wedges corners area for some time. The procedure is to accept money for not pressing charges for an imagined law breaking. Believing him to be a deputy sheriff the victims pay a fee as a fine rather than travel to court. He never took anyone to court.

Oliver Coats, Cedar Lake rd., a recent victim, will try to identify McNutt.

McNutt is a married man.

Red Cross Secretary Talks to Woman's Club; Lakeland Players Act

The aid and benefit of the American Red Cross to the Antioch community was explained to members of the Antioch Woman's club Monday afternoon by Mrs. Grayce Bryson, executive secretary of the North Lake County chapter.

Mrs. Bryson was introduced by Charles Cermak, Red Cross drive chairman for the Antioch area. She explained how the Civil defense program ties in with the Red Cross and how the Red Cross will be able to help this community in time of disaster.

She pointed out that the Red Cross is the only organization with authority to go through military channels should death or illness occur in an enlisted man's family.

The fifty women present that afternoon also were well entertained by a one-act play "Gander Sauce" presented by the Lakeland Players.

Mrs. Fred Oshmann, program chairman, introduced Mrs. Arthur Meyer, member of the dramatic group, who told of the origin and purpose of the Lakeland Players.

Card Party Saturday

There will be a card party at the American Legion hall under sponsorship of Antioch post 748 Saturday evening. Five hundred, pinocle bridge, canasta and buncio will be played.

Father Felix of the Benedictine monastery at Benet lake, who recently returned from a tour of Palestine, will speak before the Antioch Lions club Monday evening at the 19th Hole. He will tell of religious conditions abroad.

Fake Stickers Sold To Illinois Truckers

State Director of Public Safety Seyffert has warned Illinois truck operators against men reported to be selling fake "Civil Service Booster" windshield stickers with the representation that state police will not make an arrest for overloads if such a sticker is displayed. The director emphasized that such stickers will have no effect on the enforcement of weight regulations, and requested persons approached concerning their sale to notify the state police or the Department of Public Safety in Springfield.

Two of Three Robbers Of First National Bank Get Prison Sentences

Two of the three robbers who held up the First National Bank of Antioch last year were sentenced to prison in Chicago's criminal court Tuesday.

Mrs. Lucy Conlisk, Chicago, who dressed as a man and drove the getaway car, was given a two to five year sentence, and Edward Hammersbach 25, and James Daly, 25, both of Chicago and involved with her in a Chicago holdup, were given similar terms, Daly's running two years longer.

Mrs. Conlisk and Hammersbach were not tried on the charge growing out of the Antioch bank holdup but on the holdup in Chicago on Dec. 11.

They were arrested following a tavern robbery in Chicago and admitted their part in the Antioch bank robbery.

Charles Wilkink, a pottery plant employee, who planned the bank robbery here and took part in it has not yet been arrested.

Mrs. Conlisk said she took part in the robberies for the thrill she got out of it and her husband, William Conlisk, was unaware of her activities. She has a college degree and taught school for a short time.

Opening of Bids on High School Addition Set for Mon., Mar. 12

Bids on the construction of the new addition to the Antioch Township High school will be opened on Monday evening, March 12, Principal R. C. Edmudsen announced yesterday.

Five firms were chosen more than a week ago as eligible bidders and plans and specifications given to them on which they may base their bids.

Principal Edmudsen said that at least one bidder is interested in having local sub-contractors and he advised those firms who are interested to contact the architect, Charles Nicol at 23 E. Jackson St., Chicago in getting information on the contracts and submitting bids.

If materials can be obtained the firm getting the contract will be asked to start the project immediately. Whether the building can be ready for occupancy late in 1951, or early in 1952 will depend much on labor and materials.

Mrs. Mary Sterbenz Dies at Her Home at Loon Lake Tuesday

Mrs. Mary Sterbenz, 70, Antioch township, died Tuesday at her home at Loon Lake.

Mrs. Sterbenz was born September 20, 1880 at Aswaer, France. She has resided the past 25 years in Antioch, living in Wauconda and Mundelein previously.

She was a member of St. Peter's church, Antioch.

Mr. and Mrs. Sterbenz celebrated their 53rd wedding anniversary on the 14th of this month.

She is survived by her husband, Fred; seven sons: Albert, Joe, Herman and George, all of Antioch; Paul of Ingleside, Rudolph of Berwyn, and Fred, Jr., of Janesville, Wis.; two daughters, Mrs. Josephine Grant, Chicago, and Mrs. Dorothy Owings, Chattanooga, Tenn.; a sister in Germany; twelve grandchildren and one great-grandchild.

The funeral services were held at ten o'clock this (Thursday) morning at St. Peter's church with burial at Mt. Carmel cemetery, Antioch.

Judge Porter to Speak Before Antioch Club at Methodist Church Mar. 5

The second meeting of the Antioch Men's club, sponsored by the men of the Antioch Methodist church will be held on Monday evening, March 5, at the Methodist church with a dinner beginning at 7 p. m.

The attraction of the evening will be a speech by Judge Harry H. Porter, Chief Justice of the Municipal Court of Evanston, Ill. Judge Porter has been on the Municipal bench in the Evanston courts for more than seventeen years. He is noted for his efforts in legalizing the "Drunken Driving Test," which today can be used as evidence in the courts in Illinois.

Judge Porter will bring Lt. Frank M. Andrews who is the director of bureau of accident prevention of the department of police of Evanston. Lt. Andrews will assist the speaker in a demonstration of the drunken driving test. The machine is usually demonstrated only to large municipal groups in the larger towns and cities throughout the nation. This demonstration has been shown on television and is a rare privilege for the men of Antioch to witness.

Election of officers for the year will be the only business to be transacted. Group singing led by Charles Watson will be an added attraction. Tickets are available at the Antioch News office.

Back to School Night At Antioch Twp. High Attracts Many Parents

Last night was "Back to School" night for parents of Antioch Township High school students and many of them were back in the same school in which they received their education.

This time they didn't slip into the seats quite as easily and the teachers didn't awe them as much as they did a score of years ago, but it was fun.

The students filled an enrollment for their parents so that they could attend their classes.

Nothing but good reports were given out for both parent and child, but they may have been brief.

The "Back to School" night is an annual event in which the parents become acquainted with the teachers of their children and their courses.

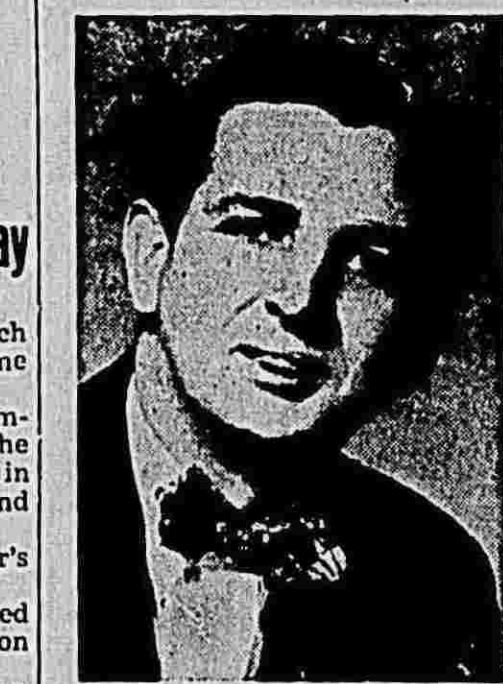

Periods were shortened so that a whole day's program could be squeezed in. And the parents, like the children, enjoyed the recess so they could visit other parents.

Refreshments were served by the Lake Villa women.

W. J. Murphy to Head Avon Twp. Red Cross Drive

W. J. Murphy of Antioch, President of the W. J. Murphy Real Estate and Insurance Co., of Round Lake, will head the Avon Township division of the 1951 Red Cross Fund Campaign. His appointment was announced by Walter T. Meyer, Waukegan, campaign chairman for the North Lake County Chapter of the American Red Cross.

Goal of Avon Township is \$2500, while the chapter's quota is \$70,000. The drive begins next Tuesday, Feb. 27, and continues through March.

W. J. MURPHY

"The Red Cross is entirely supported by public contributions, so it is of utmost importance that we raise our share of the goal and continue the many services offered by the Red Cross," Mr. Murphy said.

A volunteer in previous Red Cross campaigns in this area, this is Mr. Murphy's first time to serve as chairman. He also is president of the Waukegan-Lake County Real Estate Board.

Sequoits Beat Ela Bears, Play Libertyville Friday; Enter Regional Tuesday

Many Rooters to go With Squad to Woodstock Next Week

Antioch High's varsity basketball team won from Ela-Vernon High there Tuesday evening 70 to 53 and established for themselves at least a fourth place in the final conference standing.

The game had been postponed from last Friday night because of bad weather and difficult travel.

The game between Grant and Wauconda which will determine whether the Ingleside school will draw a fourth place tie with Antioch, was also postponed for the same reason. It will be played Friday night at Grant.

Antioch will play a Friday night non-conference game with Libertyville High there.

In the preliminary at Lake Zurich the Antioch Frosh-Sophomore team lost a hard fought game 24 to 28, to the Ela underclassmen. Second place in the conference standing was at stake and Ela claimed the honor with 11 victories and three defeats while the Papposes finished third with 10 victories and four defeats. Barrington led the conference with 14 victories and no losses.

Barrington Leads Conference

Barrington, for the third consecutive year won the varsity honors in the Northwest conference with only one loss.

In winning 70-53 over Ela-Vernon Dick Scott's Sequoits showed a superior brand of ball, controlling the rebounds and stealing the ball from the Bears often.

Buzz Haviland was high scorer with 24 points, Lubkeman next with 19 points, and Bud Dittmer third with nine.

The Haviland brothers, Buzz and Tom, worked nicely together, stealing the ball time and again from Ela. Lubkeman, Dittmer and Rentner were good in getting the rebounds.

Antioch took a decided lead shortly after the start of the game and at half time led 38 to 25.

Mickey Cuscaden was Ela's outstanding player, making 18 of the Bears' 53 points.

The game Friday at Libertyville will be a tune-up for next Tuesday night's opening game for Antioch in the regional tournament at Woodstock. The Sequoits will meet the tough Crystal Lake team as the underdog and will be working for an upset.

Crystal Lake has been holding its own in a league of considerably larger schools and stronger teams than the Northwest conference. The Sequoits intend to give a good account of themselves and this is vouched for by Coach Scott.

The game will start about 8:30 or as soon thereafter as the Elgin-Grant game can be finished.

Antioch People at Ferrises

Mrs. Elizabeth Eaton, Mrs. Jessie Runyard and Mrs. Nell Runyard, Mr. and Mrs. Fred Fowles paid a return visit to the Ferris winter home at Melbourne recently. They were served a delicious lunch by Mrs. Paul Ferris after which the men went fishing and the ladies drove to Cocoa Beach. As it was a hot day some of the women went wading in the ocean. Before leaving for Maitland, more refreshments were served the Antioch friends, and Mrs. Drucella Ferris presented them nearly a bushel of grapefruit she had picked from their garden. Some measured 1 1/2 inches in circumference.

Mrs. Ida Ahlander, 77, Dies Unexpectedly at Home Near Grass Lake

Mrs. Ida Ahlander 77, died at 7:30 a. m. yesterday at her home at Grass Lake. She suffered a heart attack and efforts of the Antioch Rescue squad called immediately failed to revive her.

Mrs. Ahlander was born Aug. 22, 1874 in Chicago, at the site of the Haymarket massacre. She lived in Chicago until 25 years ago when she and her husband, Ernst Ahlander moved to Antioch township.

She and Mr. Ahlander celebrated their fifty-ninth wedding anniversary, Jan. 11.

Mrs. Ahlander was a member of the Alice chapter of Order of Eastern Star in Chicago, and a member of the Lake Villa Royal Neighbors.

Surviving besides the husband are two sons, George and Fred Ahlander of Chicago; a daughter, Mrs. Annie Benson, Chicago, five grandchildren, and seven great grandchildren.

The funeral service will be at 1:30 p. m. Saturday at the Strang funeral home with burial in Grass Lake cemetery. Friends may call at the funeral home after 7 p. m. today.

Pape Third Among 549 In Antioch Recreation Annual Singles Classic

Henry Pape, Antioch was one of the three top men in the sixth annual singles bowling tournament concluded recently at the Antioch Recreation.

He drew \$150 third prize money on his score of 679, only 10 pins behind first place winner, Johnny Kobnick of Round Lake, whose 689 score gave him a cash prize of \$400 of the \$1,921.50 melon. Kobnick, a 160 average bowler hit 609 actual wood in leading the field.

Finishing second was Dan Whiteford of Oak Park whose prize was \$200.

A total of 549 entrants participated in the event which covered two weekends and one week day.

Proprietors of the Antioch lanes today expressed themselves as well pleased with the tourney's reception this year and they thanked the Northwest Bowling Proprietors' association for its help.

Contestants bowled three games across six alleys in this two-third handicap event.

Altogether there were 84 prize winners in the classic, and here are the major prize awards:

Bowling Tourney Sunday

The Holy Name Society will stage another bowling tournament Sunday afternoon at the Antioch Recreation. Last month 42 men participated. Play Sunday will be at 1:30 and 3:30 with many prizes. A large entry list is expected.

Red Cross Drive To Start Tuesday In Antioch Area

Meeting of Workers Set For Monday—Goal Is \$2,500

With thirty-five women canvassers aiding the drive, Antioch township's Red Cross membership campaign will open Tuesday.

Charles J. Cornak, chairman, said that a meeting for all workers will be held at 2 p. m. Monday at the Scout House where a speaker will be present to give instruction and a film will be shown depicting the progress of the American Red Cross. Antioch's quota in the drive will be \$2,500 with the money derived from membership fees.

Because of the Korean incident and the civilian defense in which the Red Cross has been quite active and serviceable, the enthusiasm in the drive this year is quite marked in contrast to earlier years.

William Brook, Irving Carey and Edward Jacobs have been given the task of canvassing the business and professional men.

The women canvassers and their assignments are as follows:

Mrs. Charles Larson, North Ave.
Mrs. Wm. Lemke, Parkway and Windsor Dr.
Mrs. Oren Hostettler and Mrs. Anthony Scully, North Main St.
Mrs. Rudy Eckert and Mrs. John Harrison, South Main St.
Mrs. John Horan, Jr., Orchard St.
Mrs. Lillian Bills, Lake St.
Mrs. William Brook, Spafford St.
Mrs. Myrus Nelson, Victoria St.
Mrs. Irving Breakstone, Harden St.

Mrs. Emil Hallwas, Nabor Subd.
Mrs. Richard Folbrick, Bishop St. and Ida Ave.

Mrs. Robert Cary, Park Ave.
Mrs. Fred Liebert, Prospect and Grapevine, Channel Lake.

Mrs. Herbert Metcalf, Felter's sub.
Mrs. Fred Swanson, North Shore, Lake Catherine.

Mrs. Harry Cole, East Shore, Channel Lake.

Mrs. Irv Jonas, West Side Channel Lake.

Mrs. Dorothy Ferris, Beach Grove Lake Marie.

Mrs. Edward Cranley, South Shore Loon Lake

Mrs. Walter Good, North Shore, Loon Lake

Mrs. Leo Fox, East Loon Lake.
Mrs. Charles Alvers and Mrs. Robert Mann, Rte. 173.

The following are working in the Grass Lake area headed by Mrs. John Steitz: McWhames Kempf, Kersten, Jessup, G. Mazzucca, F. Burke, R. Frasier, J. Nemec, and L. Coons.

Antioch and Northbrook Go to Second Round of Freshman Tournament

Antioch will play Northbrook in the second round of the Freshman Basketball tournament here Tuesday afternoon, March 6.

The two teams drew a bye in the first round.

Drawings and pairings for the tournament were made last week at the Ela High school by William Lehman, Kenneth Grever and Richard C. Edmudson.

Grant and Ela-Vernon will open the tournament at 3:30 p. m. Monday, Mar. 5, and Palatine will play Wauconda at 5 p. m. the same day.

The winners will play at 3:30 p. m. the following afternoon and the Antioch-Northbrook game will be at 5 p. m.

The winners of the semi-finals will play at 4:30 p. m. on the next day, Wednesday, March 7.

Ken Grever, of Lake Zurich will serve as referee; Warren Polley, Antioch, as official scorer; Melvin Stillson, Antioch, as scoreboard operator; M. R. Kruzan and Richard B. Scott, Antioch, as supervisors of dressing rooms and other details; and E. W. Edwards, Antioch, ticket sales.

The tournament admission ticket will be 10 cents for students and 30 cents for adults.

New Trucks For This Area

Competitive bids on the purchase of 67 new four-ton dump trucks to replace worn out equipment will soon be sought by the state Division of Highways. The cost of these will be lessened by trading in old trucks. The new vehicles will be used mainly for snow removal and highway maintenance work in northern Illinois and in the metropolitan area of East St. Louis.

Although only a specialist can scientifically determine the type and amount of hearing loss, answering the following questions may give you a clue as to whether your hearing is up to normal.

**Write
Yes or No**

- Do you find people seem to be "mumbling" or slurring their words when they talk to you?
- Do you hear better in noisy places than in quieter ones?
- Are you bothered by head noises or "ringing" in the ears?
- Do harsh loud noises seem actually painful?
- Do you find that, at one moment, you cannot hear someone speaking to you and, at the next, they seem to be shouting?
- Can you hear the sound of a voice but find it difficult or impossible to understand what is being said?
- Do you seem to hear better with one ear than the other?
- When a group of people are talking, do you seem to have trouble hearing?
- Do you have trouble hearing when going to church, listening to the radio, television, or when seeing a movie . . . do you have trouble hearing your children, grandchildren?

If your answer to any one of the above questions is "Yes," you may have a hearing loss. If your answer is yes to more than one question, your hearing is probably impaired. In either case, you should send for the FREE book "New Discoveries to Help the Deaf Hear" or see your local Beltone Hearing Service Consultant at

DUO-WAY
DISPOSAL UNIT

Until you've actually enjoyed a DUO-WAY in your own home, you just can't imagine how many steps and how much time it saves you—how much it relieves you from odious garbage disposing tasks—how much cleaner and more sanitary, odor-free and muss-free it keeps your kitchen.

You couldn't ask for an easier, more economical way to dispose of household waste, for push-button controlled and gas-operated DUO-WAY burns every type of garbage and refuse excepting metal and glass. Moreover, it burns it without the disagreeable odors of ordinary incineration... thanks to DUO-WAY'S famous and exclusive DRY FIRST—THEN BURN DOUBLE ACTION.

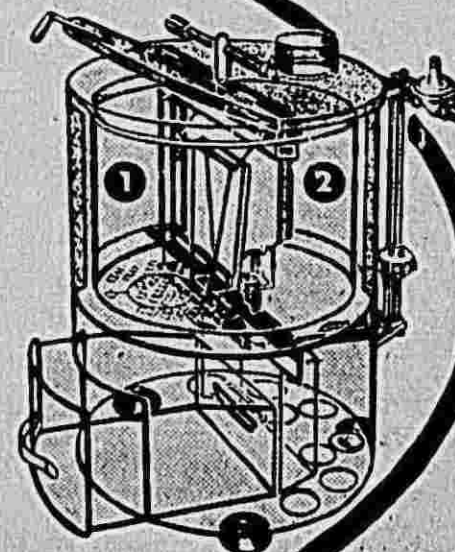

Safe and sanitary, a DUO-WAY gas-operated disposal unit can solve your refuse problem simply and inexpensively for years to come. Come in and see the 1951 model today. You owe it to yourself to see first-hand what a wonderful home help it can be.

DRY FIRST—THEN BURN

DUO-WAY'S Exclusive
Double Action Principle

All material fed into your DUO-WAY is first thoroughly dried in a special chamber (1) over a low, economical gas flame before it is burned in the combustion chamber (2)—thus insuring against any smelly, smoky odors. Emptying the large ash drawer about once a month is practically the only servicing required.

Leigh-Smelcer Wedding Held In Waukegan

The Rev. Wayne Clark heard the marriage vows of Miss Jean Smelcer and Wilford Leigh in ceremonies at First Baptist church in Waukegan which took place Sunday afternoon, Feb. 11.

The bride is the daughter of Mr. and Mrs. B. H. Smelcer, former Waukegan residents, now living in Madison, Wis.

Given in marriage by her father the bride wore a gown of white nylon marquisette with a lace cascade back. Her fingertip veil was held in place by a pearl tiara and she carried white gladioli with stephanotis.

Maid of honor was Theodora Hennings and bridesmaid was Shirley VanSickel. Theodora wore a gown of orchid nylon marquisette and the bridesmaid had a matching one in mile green. They carried yellow jonquils with orchid stock and wore bands of flowers in their hair.

Lee Merrill was Mr. Leigh's best man. Ushering were John B. Smelcer, the bride's brother, Lewis McCann, Jr., and Charles Bowen.

The reception took place in the church banquet room.

The newlyweds will make their home at 1023 N. Main st., Monmouth. Jean is a graduate of Waukegan Township High school and the Century College of Medical Technology, Chicago. Mr. Leigh, a graduate of Avon High school, also studied at Industrial Institute of Chicago.

Ronald Scully to Read High School News Over Waukegan Station WKRS

Ronald Scully, son of Mr. and Mrs. Anthony Scully, will broadcast Antioch Township High school news from station WKRS this afternoon in the first of a series of bi-weekly high school news broadcasts.

Scully was selected for the task through auditions this week in which Dean Sterling, Carol Loftus, Evonne Gindick and Emily Rule also competed. The judges were Barbara Duncanson, Richard Scott, and Iris McKinney, members of the faculty, with Miss McKinney serving as director of the contest.

The broadcast is part of a teenage program in which Waukegan, Zion, and Antioch students participate. The program will be from 4 to 4:45 p. m. Thursday and although the students will appear every other week, plans are to make their appearance weekly later on. Scully is a radio operator in his own rights. He is a Ham operator and is now working for a license.

Cast Starts Practice for Senior Play "Almost 18", Scheduled for Mar. 29

Practice for the senior class play "Almost Eighteen" was begun this week in preparation for presentation of the comedy on March 29 and 30.

David Deering will have the leading part in portraying a high school boy, almost 18 years old, around whom the entire story centers.

The youth is puzzled by the fact that he doesn't understand his parents, nor is he understood by them. He has troubles of all sorts with his girl friend, his sister, his father, the principal of the school, the club women of the town and finally the entire community.

Out of the many complications he makes a man of himself through the sympathetic understanding of his mother and a lovable old uncle.

George Einfeldt takes the part of the unsympathetic father, and Jean Hawkins that of the understanding mother.

Other members of the cast will be announced later.

GRADE SCHOOL P. T. A. MET MONDAY

The Grade School P. T. A. met on Monday evening. The program was opened with community singing led by Hans Von Holwede. He then introduced Mr. Thala Rush, the new assistant music teacher, whose son, Joe, then entertained with a clarinet solo.

C. C. Macnamara of the Tuberculosis institute in Waukegan then spoke and showed pictures on Health.

Mr. Macnamara gave the audience statistics regarding the examination for T. B. in the Antioch area.

The third grade mothers, under the chairmanship of Mrs. Lawrence Thayer served refreshments.

The next meeting will be a shower for the kindergarten room. Anything in the line of games, toys, books or cash donations will be acceptable.

WESLEY CIRCLE SPONSORING SHOW

The Wesley Circle of the Methodist church is sponsoring a movie, "The Next Voice You Hear," at the Antioch Theatre Wednesday, Feb. 28 and Thursday, March 1.

It is the story of a typical middle class American family, secure in their mutual love, but constantly annoyed by the usual frustration of routine existence.

One evening as the father is sitting before the radio listening to his favorite program a strange voice interrupts. What follows makes an interesting and significant film. Come and see it.

Tickets may be purchased from members of the Wesley Circle.

Library Notes

To all who love history, a new volume in Will Durant's "Story of Civilization" is an event. Volume IV, "The Age of Faith," is a history of medieval civilization from Constantine to Dante. It is a fitting companion to the three previous books: "Our Oriental Heritage," "Life of Greece" and "Caesar and Christ." Volume IV discusses the Dark Ages and the growing dominance of Christianity, which by 1300 had emerged triumphant over the Byzantine, Islamic and Judaic cultures contending in Europe. "The Age of Faith" was presented to the Antioch Township Library in memory of C. J. Roeschlein.

All of us, reading our Bibles or attending our churches, have wondered what life was like in Bible times. We've tried to picture the towns, homes and the daily life of the peoples whose story is so familiar to us but whose ways of living differed so much from our own. How did people earn their bread in Christ's time? How would Solomon's splendor appear to modern man? How did the women of ancient Israel dress, keep house, and bring up their children? Madeline Miller and J. Lane Miller answer these and a multitude more of questions in their "Encyclopedia of Bible Life." This book is now on the library shelves in memory of Mrs. A. P. Bratrude.

SALEM

Lester Dix has returned from St. Therese hospital in Waukegan where he has been a patient.

Mrs. August Frank is a patient at St. Therese hospital where she underwent surgery.

Mr. and Mrs. Gilbert Tuttle and daughter, Mabel, left for a month's vacation in Florida.

Mr. and Mrs. David Elfers visited relatives at Richmond on Sunday afternoon.

The M. Y. F. of the Salem Methodist church entertained Sunday evening at the church parlors for members of the Bristol and Wesley M. Y. F. The next joint meeting to be held at Bristol Mar. 18.

Mrs. Charlotte Bloss entertained at dinner on Wednesday for Mrs. Harriet Krautkramer, Mrs. Nellie Head and Mrs. Bessie Elkerton and two grandchildren, Beth and Kim Randall, all of Antioch. The occasion was the birthday anniversary of Mrs. Elkerton.

Mr. and Mrs. Alfred Schmidt and family attended the wedding of Richard Kirchner to Miss Beverly Alder at Epiphany Lutheran church at Racine of Saturday evening. Mr. Kirchner is a nephew of Mrs. Schmidt.

Card of Thanks

I wish to express my sincere appreciation to my friends for the cards, flowers and gifts I received while in the hospital. Mrs. Arthur Andersen

Complete Assessment Mar. 21
A prospect that the annual tax assessment may be completed in all the 102 counties of Illinois by March 21, the date it was finished last year, has been announced by the State Department of Revenue. Equalization factors to be applied to the assessments have been determined for all but 7 counties. The State Supreme Court, in a ruling

issued last November, invalidated the 1949 county supervisor of assessments law, thus making a reassessment necessary in all counties except Cook and St. Clair.

Lake Villa Church Will Honor Conference Head In Dinner After Service

The old time church announcement, "Dinner on the Grounds," will take on new meaning Sunday at the Community church in Lake Villa, as members and friends remain after the morning service to unpack baskets of homemade goodies in the church dining room.

The occasion will be a potluck dinner in honor of Dr. Merrill Powers, executive secretary of the Rock River Conference Board of Education. Dr. Powers will visit the various departments of the Church school, and after the dinner will lead a discussion on improvements in the school. Everyone, young and old, member or not is urged by officials to come to church prepared to stay for dinner. The board of education is furnishing the meat and drink, the rest of the meal to be "pot luck."

Week of Education Observance
The week of Dedication is meaning much more than an extra offering on Sunday this year to the congregation of Lake Villa Community church. Through the use of neighborhood prayer circles, circulation of literature, and a great Layman's Day Service Sunday, Feb. 25, the congregation is laying hold of the theme of the week, "We Have An Altar." "People are finding not only an altar at the church, but one in their homes and in their hearts," reports the student pastor, Robert E. Harrison.

In the Sunday morning service the members were asked to find God in their homes and neighborhoods through small meetings of a simple but intense devotional nature.

Monday a meeting was announced for Sand Lake neighborhood at the Helen Weber home. Tuesday, for Southern Lake Villa with the Gordon Martins; Wednesday for the northwestern area centering around Oak Knoll Drive in the Paul Williamson home; Thursday for the East Central neighborhood in Lake Villa at the pastor's home; Friday for the West Central neighborhood a meeting was called at the home of Mrs. Cora Hamlin. Saturday afternoon in the home of Mrs. Roy Crichton the people of Fox and Petite Lake areas will meet to pray. On Saturday night in Venetian Village, the series will end with a service in the home of Richard Zagorski.

Climax of the week will be reached at the end of the morning worship service when the pastor leads the congregation in a dedication of self and substance to God. At this time without hindrance, a free-will offering will be presented at the altar for special home and foreign mission project, chief of which is a \$100,000 relief fund for Korean Christians.

Activities for the week of Feb. 22-March 1:
Thursday: 7:30 p. m. Week of dedication prayer meeting for east center neighborhood.
Friday: 7:30 p. m. Week of dedication prayer meeting for west center neighborhood in Lake Villa.
Saturday: 10:45 a. m. First Communion training class.
1:00 p. m. Church membership training class.

3:00 p. m. Week of dedication prayer meeting for Fox and Petite Lake area.

7:00 p. m. Week of dedication prayer for Venetian Village.

Sunday: 9:45 a. m. University of Life "Ask the Prophets" series.

9:45 a. m. Sunday school for ages 3-23.

10:55 a. m. Morning worship. Chancel choir singing. Nursery for children. Sermon: "Is Church Work a Man's Job?"

12:30 p. m. Potluck dinner.

2:00 p. m. Forum discussion on Christian education.

6:45 p. m. Intermediate Youth Fellowship.

Monday: 7:00 p. m. Chancel choir rehearsal.

Tuesday: 3:30 p. m. Children's choir rehearsal.

8:00 p. m. Halcyon group.

Wednesday: 8:00 p. m. Official board meeting.

Cottage Prayer Meeting

Fifteen friends and members of the church gathered in the home of Mrs. Helen Weber Monday evening for an old fashioned cottage prayer meeting of scripture, prayer, meditation, and visiting afterward.

The occasion was the first in a series conceived to give the widest recognition to the Week of Dedication.

Attending the meeting were Mr. and Mrs. Walter Horenberger and daughters, Mr. and Mrs. Henry Reidel, Mrs. William Howard and children, Mrs. Richard Whittaker, Mrs. Florence Kerr, the hostess and the pastor.

Layman's Day at Lake Villa will mean the Lake Villa Community Men's club is coming to town, and to church. For this organization is the guest for the day at the 11 a. m. service. The pastor will bring the message and lead the Act of Dedication which climaxes the week of Dedication observance, but the rest of the service will be in charge of

laymen, under the leadership of Mr. Harry Weber, lay leader. In recognition of the hard work carried on by the club in the interest of civic betterment the lapels of the guests and the pews in which they sit will be decorated with miniature road signs, bearing the motto, "Men at Work." A representative of the club will tell the congregation something of the history and achievements of the club. Every member is urged to attend the "Men at Work" service.

THE CHURCH OF ST. IGNATIUS OF ANTIOCH (EPISCOPAL) Tel. 652-J

The Rev. Roberts E. Ehrgott
The Rev. Percival J. Jamieson,

The 8:00 a. m. Holy Eucharist on St. Matthias' Day, Saturday, Feb. 24th, in St. Ignatius' Episcopal church, will be offered with special intention for the anniversary of the consecration of the Bishop of Chicago, the Rt. Rev. Wallace E. Conkling.

At the 9:30 Family Service at St. Ignatius' Episcopal church, the Rev. Roberts Ehrgott blessed articles for the baptistry and the church, as follows: An oak font cover surmounted with a brass Celtic cross, given in thanksgiving by Mr. and Mrs. Carl Reisser; a silver font bowl in memory of Clara Malone; a silver baptismal shell in memory of George Petrone.

The baptistry at St. Ignatius' has recently been enlarged, with the former Sacristy now located in the parish hall. Other extensive improvements to the parish property include insulation of rectory, church and parish hall, installation of a new altar rail, purchase of a new tract rack and sacristy bell, storm windows and doors for the parish hall, and other carpentry repairs. It is hoped by Spring to paint the interior of the church nave, and the woodwork on the outside of church and hall.

Confirmation classes for children meet at the parish hall of St. Ignatius Episcopal church after the 4:00 o'clock Lenten Children's service of Stations of the Cross. Milk and cookies are served to the children at 3:30, and after the service, colored religious slides are shown.

Confirmation classes for adults meet on Fridays at 8:00 p. m. in the parish hall. Any seeking a spiritual home are invited to attend these discussions of faith as received by the Episcopal church. Confirmants will be presented to the Bishop of Chicago in St. Ignatius' church on May 17th for Holy Confirmation, with First Communions made the following Sunday.

The Rt. Rev. Wallace E. Conkling, 7th Bishop of the Episcopal Diocese of Chicago, of which St. Ignatius' church is a parish, will celebrate the 10th anniversary of his consecration to the Sacred Episcopate on St. Matthias' Day, Saturday, Feb. 24th. The Rev. R. E. Ehrgott, Priest and Rector of St. Ignatius' with Mrs. Ehrgott, will attend a dinner given by the Bishop for his clergy at the Congress hotel on the 27th. The Bishop will meet with his clergy for a Quiet Day at St. Matthias' Church, Chicago, on Saturday, the 24th, and there will be a Service of Thanksgiving for Bishop Conkling's episcopate in St. James' church, Chicago, on Sunday, Feb. 25th, at 4:30 p. m. The public is invited to this service. The Diocese of Chicago has seen much spiritual and material advance under Bishop Conkling's ten year reign.

LAYMEN OF METHODIST CHURCH WILL CONDUCT SUNDAY MORNING SERVICE

A group of men will lead the 11 o'clock morning service at the Methodist church in Antioch. The occasion is the annual observance of Laymen's Sunday by Methodist Churches throughout the nation.

Mr. Bernard Guillaume, Lay Leader of the local church will preside at the service. Elmer Baethke will read the lesson from the Scriptures. Louis Horton will give the morning prayer. Charles B. Watson will bring the Laymen's Day message on the subject "The Fallacy of Fooling Ourselves." Mr. Guillaume will give a Layman's Report to the congregation and the robed choir will sing, "O Love That Will Not Let Me Go." The organist is Mrs. William Dow.

Everyone is cordially invited to attend the service.

Baby to be Baptized

Wilbur Herbert Mack, son of Mr. and Mrs. Wilbur Mack will be baptized at a special service following the Laymen's Day Service in the Methodist church on Sunday morning.

Students at Antioch Township High school got first hand instruction in the science of physics today in an entertainment by Kenneth Strickfaden, sent here by the Extension Division of the University of Wisconsin.

Strickfaden presented the phenomena of sound, color and light through the use of an electric light. He made light produce sound and brought color from the realm of the invisible.

The lecture is one of several presented in assembly throughout the school year.

Allendale Routs L. Forest Day School 46 to 22

The Allendale Tigers journeyed to Lake Forest last Saturday and came home with their 10th win of the season against one loss. The Tigers' victims were the Lake Forest Country Day School. Allendale playing and excellent control game lead 13 to 3 at the end of the first quarter. The reserve squad made it 20 to 7 at halftime. The Tigers had the edge in height and hustle and the Lake Foresters fell behind as Allendale scored 12 and 14 points respectively in the last two quarters, while the Foresters garnered 5 and 10. Bill Shipperley, lead the Tigers with 9 points. Trowbridge lead the losers with 6.

The Allendale Juniors kept their undefeated season intact by walloping the Lake Forest lightweights 42 to 22. In winning their 11th straight the Juniors looked good. Their sharp passing and shooting gave them a 19 to 13 edge at halftime. The reserve squad was never pressed as they took over and finished the game. Kossack lead the winners with 10 points followed by Ronnell Bennett, his teammate with 9. Babcock lead the Lake Forest attack with 6.

Motorist Can Hypnotize Self on Long Trips Through Monotony of Road, Noise

A motorist traveling a long distance on a smooth and comparatively straight highway can be lulled into a state of three-fourth consciousness by the hum of the motor, the tires whirring on the pavement and by the fixation of his attention on the road ahead.

The Chicago Motor club says that when a car leaves the highway or crashes into another vehicle without leaving skid marks it is usually assumed that the driver dozed off. This can often be explained by physical weariness but in many cases, as reported by drivers who caught themselves nodding, it is the monotony of sight, sound and sensation which brings on a feeling of drowsiness.

Three factors unite "highway hypnosis" to the methods used by a hypnotist to put his subject into a trance. The first is what scientists call "repetitive stimuli." It refers to the repeating of words and motions, the hypnotist saying "sleep, sleep" over and over while passing his hand back and forth in front of the subject's eyes. This is designed to dull the subject's sensations by filling them without let-up with only a single object.

In motoring on the open highway, this can be compared to that rigid attention given unceasingly to the road ahead, also to the monotonous drumming of tires on pavement and the humming of the motor.

Second, the 'power of suggestion'.

The hypnotist will say, "you are becoming weary... you are getting more and more sleepy... you want to sleep..." On the road, the suggestion is done by the sameness of the sensations received by the driver. But the 'suggestions' received by him are the more dangerous because he actually feels them; the hypnotist must be content with merely trying to make the subject think he is becoming weary, whereas, with the driver, the 'suggestion' is felt physically—he really is getting tired.

The third factor is a combination of the other two. A 'lowered alertness' is brought about in the subject by the manipulations of the hypnotist. By this time his will has been jellied and he is susceptible to the desires of the other.

With the driver, this is when danger is acute. His reflexes are sluggish, his eyes are heavy and senses dull.

What are the defenses against "highway hypnosis"? The motor club says that the need is for an outside influence to alert the motorist, to distract him from his reverie. The car radio or windshield wiper can be turned on. There should also be good ventilation so that the warmth of the heater cannot create a stuffy atmosphere in the car.

But the best defense of all, according to the club, is to pull off the road and take a nap.

P.S.C. Will Sponsor Radio Network for State Meet; Waukegan Station Included

The Public Service Company of Northern Illinois has completed arrangements for a network of ten radio stations to carry the play-by-play descriptions of all sixteen games of the 1951 Illinois State High School basketball finals on March 14, 15, 16 and 17, it was announced today by the utility.

The broadcasts, which will come direct from George Huff gymnasium at the University of Illinois, Champaign, will be carried over stations WJOL (FM), Chicago; WHFC, Cicero; WEAU (FM), Evanston; WNMP, Evanston; WFJS (FM) Freeport; WJOL, Joliet; WKAN, Kankakee; WOPA, Oak Park; WSDR Sterling; and WKRS, Waukegan.

Sponsorship by Public Service Company of the "Sweet Sixteen" tournament finals will bring to radio listeners in many northern Illinois communities the first play-by-play descriptions of the championship games in history. It is also the first time that the utility has undertaken to sponsor such a network broadcast.

Bob Philbin, who handles sports broadcasts for station WJOL, Joliet, and Fritz Sorenson of WKRS, Waukegan will alternate in describing the thrill-packed series over all of the stations except WFJS, Freeport and WSDR, Sterling. The Freeport and Sterling stations will each handle their own direct broadcasts with their regular staffs of sportscasters.

The first two-game sessions will get under way at 7:30 p. m. Wednesday, March 14. On Thursday, three two-game sessions will be played, one starting at 10 a. m., one at 2:15 p. m. and one at 7:30 p. m. The quarter-final sessions are booked for Friday at 1:45 p. m. and 7:30 p. m. The semi-finals will start at 1:15 Saturday afternoon and the championship games will follow at 7:30 Saturday night.

The announcers, in addition to handling the play-by-play accounts of the games will interview coaches, players, high school principals and visiting celebrities between halves of each of the games. Following each game they will also give a recapitulation of the individual scoring and the highlights of the contest.

Mrs. Mary Mann is confined to her home because of illness.

During these passing Lenten Days

We are more mindful of Him.

For Jesus Christ is the Son of God.

None on earth can with Him compare.

For Jesus Christ is the Son of God.

On Easter Day He arose from the Dead.

For Jesus Christ is the Son of God.

Only He can save and He can heal.

For Jesus Christ is the Son of God.

Only His Blood can purge our sins.

For Jesus Christ is the Son of God.

In His Name our faith doth rise

For Jesus Christ is the Son of God.

He came to deliver them that believe.

For Jesus Christ is the Son of God.

Now in closing allow me to say—

Refrain from using His Name in vain.

For Jesus Christ is the Son of God.

"Whoso offereth praise glorifieth me; and to him that ordereth his conversation aright will I show the salvation of God."

CHRISTIAN SCIENCE CHURCHES

That there can be but one Mind because there is but one God, of whom man is the full and perfect expression, will be discussed in all Churches of Christ, Scientist, next Sunday. Title of the Lesson-Sermon on Sunday, February 25, is "MIND."

The Golden Text is from Psalms (33:11): "The counsel of the Lord standeth for ever, the thoughts of his heart to all generations."

Bible selections in the Lesson-Sermon include this passage:

"Hast thou not known? hast thou not heard, that the everlasting God, the Lord, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding" (Isa. 40:28).

Selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include:

"Divine metaphysics, as revealed to spiritual understanding, shows clearly that all is Mind, and that Mind is God, omnipotence, omnipresence, omniscience, —that is, all power, all presence, all Science. Hence all is in reality the manifestation of Mind" (p. 275).

SHORT STORY

The Last Straw

By Lula W. Kellams

IN THEIR EARLIER married years Flora and Ralph Wilson were an ideal couple. Both were handsome and jolly, with identical tastes and friends. But, as they grew older, Flora matured, while Ralph tried to stay boyish and flaky.

"Why not ask your age?" she often asked wistfully. "We have such a lovely, comfortable home for middle aged folks. Our department store is dignified enough for older management. You don't have to keep up a front."

Ralph would chuckle. "Not jealous of your old man, are you, baby? No foolin', I don't show the years a bit, do I?"

"It's not honest," Flora contended. "Everyone recognizes middle age when he sees it. Anyone can recognize a toupee."

But she knew when to hush. They mustn't quarrel over trifles. Of course, she didn't think this growing breach in their ages was a trifle, but Ralph did.

Every day she felt more strongly that something must be done to preserve their marriage; and every day she could think of no possible solution.

One morning she said, "I—I don't feel like going to the store, dear. I'm sure Miss Gray can manage alone. There is housecleaning and things to do here."

"Okay, dear," Ralph agreed readily, kissing her good-bye. Fear stabbed Flora. Why did he agree so hastily? Why didn't he ask her what was wrong? She had an impulse to change her mind and go. But tears and self-pity were aching in her eyes and throat.

To conceal her feelings, she said briskly, "Wear this old hat, dear. I want to send that one to the cleaner's."

"But it's so shabby and it doesn't fit well."

Stubbornly Flora held out the old straw hat until he donned it reluctantly, leaving his soft gray felt on a chair. She refused to watch him swagger off, whistling like their son Danny when he was a college freshman.

Tears blurred her vision while she picked up things and cleaned and swept. Wasn't there something that would save their marriage, something like taking reducing exercises, or turning kittenish?

The idea was revolting. She had no heart to compete with their three young daughters. If—if she had just begun years ago trying to remain glamorous instead of turning into a mother, maybe things would have worked out better.

BY NOON, she felt less frustrated. She even hummed while she whipped up Ralph's favorite cake and cooked pot roast. If she had an especially appetizing supper, and the children were in jubilant mood, maybe Ralph would see how well off he was. Maybe, just once, he would forget his diet.

At 5:05 the children called saying they had to stay for play practice. Flora's spirit drooped. Would Ralph call, too, pretending that business detained him, leaving her alone in the dark, silent house?

"Funniest thing happened," Ralph said. "When I look off my hat my toupee came off, too."

She waited with apprehension. At 6:15 sharp she heard the car stop, then Ralph's step on the porch.

"Supper ready, Mom?" he called. Dread gripped Flora. He'd called her mom instead of baby, or dear. Just one day's staying home made her seem old-fashioned to him!

He strode into the living-room. "Mom, you're looking at a successful man! Today I landed that fat Atkinson account. Mr. Kimley, their new buyer, said I looked like a settled, respectable business man."

He chuckled at Flora's astonished face. "Funniest thing happened. Remember how tight that old straw hat was? Well, the minute I took it off in front of that flippy Miss Gray and the office force, they all started giggling. My toupee came off too, so I glared—like I meant to look fifty, instead of thirty. It's a wonderful feeling of relief. What's for supper, Mom?"

"Pot roast and your favorite cake, Dad!" As they marched in to supper, arm in arm, Flora just knew that there never had been such a lovely bald head as her husband's.

18 Shiploads in One
One of the largest and newest Great Lakes vessels can haul more than 18,000 tons of iron ore at one time. That amount is 15 times more than the capacity of the first ore ship designed for the trade in 1869.

Bolled Frosting
If a bolled frosting fails to crystallize, try this: Place the mixture in a double boiler over hot water and heat until a velvety dull glow steals over the mixture. Remove from hot water, beat again, and the frosting should thicken satisfactorily.

CHRYSLER ANNOUNCES FirePower

most revolutionary
new engine
in 27 years...

180 HORSEPOWER

Here you see the secret of FirePower's unmatched ability... the new Chrysler Hemispherical Combustion Chamber, heart of the finest motor car engine built today. In this dome-topped, clean-walled area, you see the only ideal combustion chamber in a motor car engine today... the only way to develop full combustion, full compression, full work and value from every drop of fuel!

FirePower specifications: 180 hp at 4000 rpm; Bore and Stroke, 3-13/16 x 3-5/8; Piston Displacement, 331.1 cu. in.; Compression Ratio, 7.5 to 1.

Chrysler engineering again brings you an entirely new powerplant which will set a new pattern of performance for years to come. FirePower is not only the most powerful engine you can drive today... it is the most efficient, too! Exhaustive tests have proved this the mechanically best and most reliable car engine ever built. Only by driving it yourself can you know the new world of satisfaction it opens to you. Its smooth 180 horsepower can outperform, with ease, any other engine in any other car. Yet FirePower uses no more gas than you probably use now... uses regular grade gas, too. It will run more carbon-free... last longer... require less attention and upkeep cost than any other engine built, bar none. And along with FirePower, Chrysler this year presents two other great and basic engineering advances... exclusive new Oriflow shock absorbers, on all models, with over twice the shock-absorbing power of any other car's... and, optional at extra cost, the miraculous new Hydrguide power steering which does four-fifths of your steering work for you! See all these exciting new motoring wonders tomorrow at your Chrysler dealer's—America's newest new car is now on display.

Sunken Treasure

The coastal waters of the United States hold plenty of hard cash. One famous trove of four millions went down with a British frigate in New York's East River in 1780. Eighteen years later a Dutch warship with 15 millions sank off Lewes, Delaware. Only a few tantalizing coins have ever been recovered from either wreck.

Honey

Honey makes an excellent spread for toast, waffles, muffins, pancakes, and other hot breads.

"ABC" Fruit

Apples might be called the "ABC" fruit, because they contain amounts of all three of these vitamins, plus calcium, phosphorus, and iron.

WHAT are the things you hope some day to have in an automobile?

Is it power that rises to every challenge?

Is it the satisfied feeling of being a very important person there at the wheel?

Is it day-long comfort and ample dimensions that make every trip a pleasure?

Is it the durable goodness of sound construction—the sturdy strength that will outlast the years?

Well, sir, the time has come for you to take to heart these three words of sensible advice—"SMART BUY'S BUICK."

Every Buick has Fireball power—an exclusive combustion principle that makes each drop of fuel do extra duty.

Standard equipment, accessories, trim and models are subject to change without notice.

Every Buick has coil springs on all four wheels—that add to your comfort and never need service.

Every Buick can be had with Dynaflo Drive,* which lends extra smoothness to all the miles you drive and saves wear on tires, engine and transmission for long-run economy.

Every Buick sparkles with added conveniences, refinements, appointments that lift these 1951 beauties far above the "utility" level and make them a special joy to own.

And when it comes to price—we ask you to compare Buick with the field. Come see us soon. Lots of folks are comparing and finding there's no buy like a Buick.

*Standard on ROADMASTER, optional at extra cost on other Series.

No other car provides all this:

DYNAFLOW DRIVE—saves strain on driver and car

FIREBALL POWER—high-compression, valve-in-head engine gets more good from every drop of fuel

PUSH-BAR FOREFRONT—combines smart style and unsurpassed protection

WHITE-GLOW INSTRUMENTS—greater clarity at night

TORQUE-TUBE DRIVE—steadies ride, improves driving control

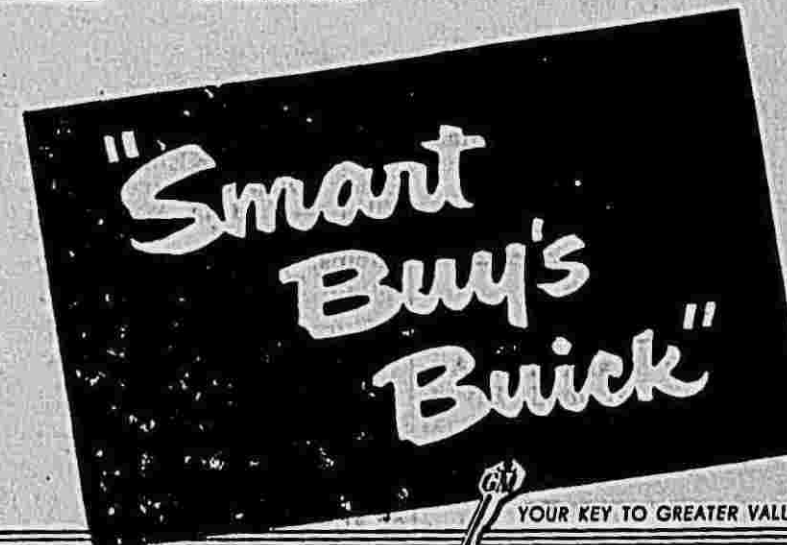

4-WHEEL COIL SPRINGING—cushions ride, saves servicing costs

DUAL VENTILATION—outside air fed separately to right or left of front compartment

SELF-ENERGIZING BRAKES—hydraulic—multiply pedal-pressure five times at brake drum

DREAMLINE STYLING—tapered, car-length fenders, gleaming sweep-spoors on most models

Plus: Self-locking luggage lid, Step-On parking brake, two-way ignition lock, Safety-Ride rims, Hi-Polished engine mounting, Body by Fisher

Allendale Tigers Win Overtime Game 50-49 From Highland School

The Tigers of the Allendale school for boys and the Highland Junior High school of Libertyville tangled recently in a game that was considered by many, one of the finest grade school basketball games ever witnessed. The Libertyville team appearing to be completely outclassed in the first minutes found themselves, and drove the Tigers to the limits to win their ninth game of the current season as against one defeat early in the year.

Led by Frank Roberts in the first quarter Allendale amassed a 17 to 10 lead over the stymied Highland team. The second quarter proved just the opposite of the first as the lads from Libertyville suddenly came to life scoring five baskets on the bewildered Allendale team. Holding back the tide was all the Tigers could do as they scored only twice while their opponents hit the nets for 16 points during the second quarter; and the score at halftime read 26 to 21 in favor of Highland.

The second half of the game proved to be one of those affairs in which the lead changed hands with each tally, first with Allendale ahead and then Highland. The score at the three quarter's mark was 34

to 32 with Highland still ahead. With seconds remaining in the final half John Kelly of Allendale fired a quick pass to Lee Wyatt, tall Allendale center and unguarded he sank what proved to be the tying basket.

The overtime period was decided when Armand Heck, substitute guard sank a free throw with seconds remaining. John Kelly was high for Allendale during the evening with 18 points to his credit, while Becker of Highland hit the hoops for a total of 23 points.

The Allendale Junior team, in winning their tenth straight game of the season and their nineteenth in a row, found the Highland lightweights one of the scrappiest teams played in a long while. But with superior material, the Juniors pushed over the tough Highland school with 46 to 27 victory. Bill Cassidy was high for the Allendale Juniors scoring 19 points, while Haynes of Highland garnered 12 for the losers.

Fogs

Clouds and fogs are both made of tiny water droplets. A cloud is a high fog. A fog is a mist hanging low enough to reach the earth.

Lamb Stew

For a well-flavored lamb stew, add celery, onions, and tomatoes to the water while cooking the meat.

HEALTH HINTS for LIVESTOCK

PREPARED BY
AMERICAN FOUNDATION FOR ANIMAL HEALTH

SCIENCE SAVES "BARREN" COWS

Many a good cow that the owner thought was barren has been sent to slaughter carrying a living, unborn calf.

If the owner doubts whether a cow

Science can extend cows' productive life.

is with calf, it is always a good idea to have the animal examined by a veterinarian, before shipping to slaughter.

Sometimes pregnant cows come into heat because of a minor imbalance of the hormone glands. Several other factors enter into mistaken judg-

ments on whether a cow is pregnant or not.

Within the past ten years notable advancements have been made by veterinary science in the treatment of non-breeding cows.

For example, one common type of sterility caused by a low grade infection, responds to penicillin therapy. Another type, due to cysts, may be corrected by a specific gland extract. Sterility due to trichomonads or to retained yellow bodies, is curable in some cases.

Sometimes a fairly simple surgical operation will make it possible for a cow to reproduce.

Feed, also, plays a big part in cattle reproduction. An animal may look all right, but due to an unbalanced ration may be suffering a vitamin deficiency. In some cases, veterinarians have used vitamin injections to restore an animal's fertility.

Before discarding any cow thought to be barren as a defective breeder it is a good investment to have skilled assistance in making the decision. A good breeding animal is worth more than a slaughter cow.

Good for Good Furniture

Alkyd resin varnish is used extensively on fine furniture because it dries rapidly to a dust-free condition. Tough and very resilient, this type of varnish shows remarkable adhesion to smooth surfaces.

Little Known

Selenium, a metal little known outside the industrial field, has a unique role in the manufacture of glass. It neutralizes the green color caused by iron impurities, and when added in sufficient quantities, turns the glass to a ruby color.
